AZ CORP COMMISSION
DOCKET CONTROL

W-00000C-16-0151

On May 19, 2016 the Arizona Corporation Commission will be hosting a workshop on issues facing the water utility industry and its customers. In order to have a repository for future filings associated with this workshop, and the ongoing process it will generate, I believe a new docket should be created. Therefore with this letter, I am directing that a new docket be opened titled: "Arizona Corporation Commission Investigation into Potential Improvements to its Water Policies."

Sincerely,

Doug Little
